Ceed for Education

Creative pool of talents

With the Ceed School Management software you can:

- Automate the entire admission process. Happy Parents. Happy Staff. No time wasted.
- Maintain student and staff data. Accessible anywhere, anytime. Say goodbye to cumbersome files.
- Take the hassle out of fee collection, payroll and other financial transactions. Your accounts will worship you.
- Generate examination report cards in a snap, not weeks.
- Easily communicate with parents, staff and teachers, without leaving your Office.
